

# Visualisation on the web

Hadley Wickham

# Outline

- Interesting visualisation examples
  - Baby name voyager
  - Text arc
  - Shape of song

# Baby name voyager

- Google baby name voyager and click the first hit
- What does the tool show?
- What interesting patterns can you find?

# Text arc

- <http://textarc.org>
- Displays an entire book on one screen

# Text arc

- All lines displayed on outside
- All words on inside with rubber bands to position in text
- Brightness proportion to frequency

# Shape of song

- <http://www.turbulence.org/Works/song/>

# Homework

- Find an interesting interactive visualisation on the web
- Be prepared for a 5 minute presentation of it next week
- Places to start:
  - <http://del.icio.us/popular/visualization>
  - <http://del.icio.us/popular/visualisation>
