Course Evaluation

Thank you for the great
comments!

Things you like

good content	
useful skills	
in-class exercises helpful	
one-on-one QA	

Things I'll do differently

homework instructions not clear	
post/demonstrate solutions to exercises	
grading confusing	

Things you're doing well

- Learning skills
- Practising in and out of class

Things for you to do differently

- Tell me when I go too fast/slow!
- Work through the links on the website
- Ask more questions
- Make use of office hour(s)
- If you're finding it too easy, tell me and I'll give you something that will challenge you

Grading Scheme

Grade	A+	A	B	C	F
Points	5	4	3	2	1

Other Comments

- in-class exercises: *completely lost, too little time, too much time, do more*
- great web resources
- ... feels like English composition class

Why so much writing?

- Analysis is easy, compared to communicating your findings
- Learning research suggests that writing is one of the best ways of cementing knowledge
- Helps me to understand how well you're doing
