

Evaluation

Hadley Wickham

Good

- Me: Better speed (go too fast at the end)
- Me: Good examples
- You: practising more outside of class

Bad

- Me: homework descriptions not detailed enough
- Me: no summaries of R code
- Me: no models
- You: leaving your homeworks to the last minute

Changes

- You: Try to start the homework earlier, and ask for help!
- Me: explain why models aren't always best
- Me: R cheat sheet
- Me: Try and explain homework better
